“Today, we’re going to
be the president!”

Josephine Kline, Little Miss President

TALES OF THE Quarter- lands

Glorious, fast-paced fantasy for young readers with truly original artwork. Meet a group of brave children standing up against the warmongers of their land in this story that reads like *Game of Thrones* for children!

Elina Rouhiainen and Kaisa Ranta **Tales of the Quarterlands** **Tales of the Quarterlands 1: The Glow-maker**

Taaro is a young boy living in a remote corner of a great, vast land. His life has been as peaceful as his home country but now he has reached an age where all children go on a journey alone to find their *panyon*, their spirit animal. But when Taaro accidentally gets mistaken for a thief near the city of Vaahkaburgh he finds himself in deep trouble. Someone has managed to steal the city's secret source of power, a machine able to create a substance called Glow. It's only with the help of the son and daughter of a high-ranking officer that Taaro manages to escape. But now they all have to run for their lives in a land on the brink of war – and everyone else thinks they are to blame.

Tales of the Quarterlands is an epic adventure set in an original fantasy land where children are needed to save the day. The story is easy to read with short chapters and many plot twists, but it also manages to draw thought-provoking parallels to real life where young activists sometimes do a better job than adults in conflict situations.

Photo: Lauri Nevanlinna

Elina Rouhiainen debuted at the young age of 24 and has since become the leading lady of Finnish YA. The first book in her recent trilogy *The Bird Circle* has most awards ever won by a Finnish YA novel, and the series has also sold internationally. Now, Elina's first middle grade series is bringing her unique, modern touch on fantasy to a whole new readership.

Kaisa Ranta is an illustrator and animation artist whose artwork has the rare ability to appeal to all ages. *Tales of the Quarterlands* introduces her an illustrator of children's fiction.

“

A charming story.
Kirjan vuoksi

Marko Hautala and Broci Henry Humerus and the Haunted Hound of the Library

What to do when a kind reading dog starts furiously tearing up books and terrorising the whole library?

Henry Humerus doesn't like reading, not at all. When he takes a book in his hands, the letters become small ants that crawl across the pages, and his head starts to hurt. Henry doesn't want to go to the library, but reluctantly agrees to go – if only to make his father happy. Besides, there is a quite nice reading dog at the library, even though its breath really stinks.

Henry has always thought that there are no exciting books. Everything changes when the strange librarian offers him a wild read – a book with a spell on the last page. The spell has horrible consequences if it is read out loud by a child...

Beautifully illustrated by Broci, the book is a wonderful reminder of how exciting it can be when you find just the right book to read.

Colors: 4/4 | Pages: 72 | Ages: 7+ | Original language: Finnish | Original publisher: Haamu Publishing

Photo: Veikko Somerpuro

Marko Hautala is a Nordic author of literary horror. His novels have won him the Tiilikivi and Kalevi Jäntti prize in his native Finland and have been translated into several languages. Before becoming a full-time writer, Hautala worked as a translator, teacher, and nurse in a psychiatric hospital.

Broci is an artist interested in the supernatural, horror and fashion!

Alison Hawkins is an illustrator based in North Carolina. Alison studied art history and anthropology. She always approaches art with a sense of humor.

alisonhawkinsportfolio.com

Who run
the world?
Girls!

Toni Gallagher **Little Miss President**

Being president looks pretty easy. You tell people what to do, and they do it. What's so tough about that? *Little Miss President* is a unique tale empowering girls to be women who lead.

At least, that's what Josephine Kline thinks. Jo is much like any other 10-year-old. Just one small detail separates her from her classmates—her mother, Martha, happens to be the president! So when Martha comes down with a nasty and sudden case of stomach flu, Jo decides it is time to step up and be president for the day! Armed with a killer costume and a hidden talent for impressions, Jo enlists her most available (and least law-abiding) friend to try and reinstate some fun in the role of president. What could possibly go wrong?

Little Miss President is a hilarious slapstick tale of one madcap day in the lives of two 5th graders. Never less than entertaining, the story also has some serious points to make about the transformative potential of dreaming big, and how there is still hope in a political world that can seem daunting to us all.

We love this story, and, of course, John, Slack, Akane, Salome, and Eva! A fast pace, great characters, and excellent dialogue make this a must-read!

Anne Luukkonen, Otava, Finnish publisher of the Ghost Network.

”This is a strong character driven, well-plotted story.”

“I flipped through each paid rapidly wanting more!”

Reader reviews on GoodReads

The Ghost Network 1 Activate

John and Slack are just two normal kids with a love for computers. But their life is turned upside down when an innocuous hacking prank sends them to a center for extraordinarily gifted computer whiz kids. There, they learn the terrifying truth: they died and have been brought back to life with the help of artificial intelligence. Not only does this give them extraordinary abilities... it also makes them hot property.

I. I. Davidson is a pen name for the Scottish author Gillian Philip and Finnish series creator Aleksis Delikouras. Gillian has written fiction for several big publishers and been nominated and shortlisted for awards including the Carnegie Medal and the David Gemmell Legend Award. She belongs to the Erin Hunter team responsible for hits like *Warriors*, *Survivors*, and *Seekers*.

Queens OF QUEENS

Four of the sassiest, brassiest queens of history are taking over modern-day Queens, New York. Are you ready?

Following a freak accident, a group of misfit kids end up face-to-face with four historical queens: Cleopatra, Marie Antoinette, Khutulun, and Victoria. But once home, the kids' awe quickly turns sour when they realize that queens don't make the most cooperative pets.

Queens of Queens First We Take New York

A fresh, funny, modern take on some of the sassiest, brassiest queens in history, *Queens of Queens: First We Take New York* is a one-of-a-kind series opener. Think *The Carrie Diaries* meets *Marie Antoinette*!

What to do when you accidentally resurrect four famous historical queens? As Laqueena, Brad, and Pablo try to make sense of it all, the queens want to ditch this new world of equality and public transportation and head back to their old lives of splendor and privilege. But when megalomaniac man-child Henry VIII shows up, the girls must find a way to strike a balance between history and modern life before they cease to exist in any time period.

Katie Cook – Elli Puukangas Dark Song A Soul Riders graphic novel

Meet the Soul Riders in a standalone adventure gloriously brought to life by the distinguished comics writer Katie Cook and the brilliant upcoming artist Elli Puukangas! 150 pages of epic moments, old legends and wonderful artwork!

When the Soul Riders are sent out on a mission to meet with their druid friends, they come to realise all is not well in the area. As Linda has a horrible vision of barren forests and great havoc, the girls know they are needed to save the land around them from destruction. What is wrong with the mysterious tree in a deep, dark forest that seems to be corrupting things around it? Could it somehow be the source of all evil and if so, who has used dark magic to make the tree behave this way? The Soul Riders swear to solve the mystery, but can they trust all their new companions? Someone close to them has scary plans of their own...

Young Adults

“And then he runs. That’s something
he knows how to do.”

Elina Rouhiainen: *The Bird Circle 3*

“

The author writes about searching your sexual identity in an authentic way while also treating topics like facing your fears. Despite the heavy themes, Meresmaa’s writing feels airy and poetic.

The Jury of the Topelius Prize

J.S. Meresmaa **Khimaira**

Sara, a 19-year-old Russian Finn, has a passion for photography and Anna Akhmatova’s poetry. She drives a vintage motorcycle and has just taken the admissions test for medical school. Sara has a new girlfriend, lina, who is also Sara’s ex-boyfriend’s girlfriend. Is it complicated? Maybe a little, but when wouldn’t life be.

The fact that Sara has not told her conservative parents about her lesbian or polyamorous arrangements does not make things any easier. She is already taking first steps towards independent life. And while her new home is beautiful, an emptiness echoes inside it, taking up more and more space inside Sara day by day. She feels like standing on the edge of an abyss. What will be revealed when the silence is finally broken?

Ages: 12+ | Original language: Finnish | Original publisher: Myllylahti Publishers

J.S. Meresmaa

Dodo

A celebrated verse novel from a distinguished YA author featuring stunning language and a touch of magic. *Dodo* follows the life of a 16-year-old who has to deal with depression, unreliable parents, and finding unexpected love—all while taking care of a mysterious pet named Dodo.

lina doesn’t have it easy: her boyfriend suffers from depression and her mother doesn’t know where lina spends her days. Her alcoholic father now wants to take her in, forcing lina to leave her boyfriend and her new best friend behind. At the centre of it all is lina’s new pet, Dodo, whom she has discovered and saved. As lina struggles with who to save from themselves, she comes to realise there is enough love within her to share out.

Fully written in rhythmic and powerful verse, *Dodo* manages to evoke the voice and thoughts of a modern-day teenager. Though harrowing at times, the book vibrates with life—and gives the reader hope.

Ages: 12+ | Pages: 157 | Original language: Finnish | Original publisher: Myllylahti Publishers

Winter's Fragile Curse

Winter's Fragile Curse is a glorious retelling of *Cinderella* from the German hit author. It's a celebrated YA novel in three acts: The book can be published as three shorter volumes or as a thicker, stand-alone book!

When Cinderella rushes into the ball and steals the prince's heart, there's another princess there, Mary, who is left standing with nothing. She was the one who supposed to marry prince Duncan and become Queen. Now, fate grants her a second chance. The beautiful stranger in the sky-blue dress has disappeared and the only proof of her existence is a glass shoe she left behind. But who would have thought that a glass shoe would prove so hard to destroy?

During her mission, Mary's about to discover some ugly truths about the kingdom she lives in. What if Cinderella is just a pawn in a game bigger and darker than anyone could imagine? And what if she ran into the prince for a reason? And what about princess Mary herself, is she as innocent as she seems?

Julia Adrian weaves an original, breathtaking story out of old fairytale yarns. *Winter's Fragile Curse* is extraordinary fantasy full of broken hearts, dark curses, ancient magic, immortal love, long-held grudges, and six kingdoms on the brink of destruction.

Ages: 12+ | Pages: 3 x 220 pages | Original language: German | Original publisher: Drachenmond Verlag

A bind-up of three books: *Winter's Fragile Curse*, *The Death of Spring*, and *Autumn's Blood*!

“

Rouhiainen has written strong, plausible, and diverse characters. She skillfully touches on the subjects of privilege and human rights. Her urban fantasy captures the reader and lingers in the mind long after reading.

FIFTY-THREE YEARS AGO, THE DEVIL
INVADED OUR WORLD. SEVEN MONTHS
AFTER THAT, WE KILLED HIM.
THEN THINGS GOT WEIRD.

An ambitious
page-turner
where *Lucifer*
meets
True Blood.

Matthew Laurence **Devil Days**

A young woman who is part devil seeks to clear her kind's dirty name in a society that discriminates and divides at every turn.

Lillian Demire is a teen with a secret... although the horns growing out of her 'fro are a clue. She is a member of America's newest and most ostracised minority—devilkin. After the catastrophic Brimstone War left mankind going into battle against the Devil himself, Lucifer's descendants aren't winning any popularity contests.

Ostracised by her mother, and society as a whole, Lily has little choice but to sign up with a government program in which devilkin are weaponized to fight against their own.

But when you are devilkin, life isn't as simple as just following a script. The world is a far darker place than even Lily realized, and tensions between humans and devilkin are at breaking point. And as Lily learns more and more about who she really is, these pressures increase exponentially.

Devil Days explores the realities of living in a world where nations and people are divided by those in control and exploited in pursuit of profit and power—you might find you have more in common with the devil than previously thought.

A YA American Gods meets Jessica Jones in Louboutin heels.

Matthew Laurence **Freya**

Following the demise of her life as the Norse goddess of love, Freya is a 21st century teen waiting to regain her deity status when she meets a mysterious man that shows her there are people who remember the gods—and they are not her friends.

There’s far more to Sara Vanadi than meets the eye. In her prime, she was Freya, the Norse goddess of love, beauty, war, and death—though that past hardly seems to matter now. For an ancient goddess in the 21st century, true believers—and the strength they bring—are painfully hard to find. But when a new, rising power threatens to remake the world by bending the divine to its will, Sara realizes her days of hiding have ended, and a chance to claw her way out of the history books has arrived. She’ll just need new clothes and a manicure before she gets started.

What readers are saying at Amazon.de:

Wonderful writing with a particular kind of charm.

I have not read such a beautiful book in a long time!

Anyone who loves books will instantly feel at home with this book.

Word-of-mouth phenomenon in Germany, loved by readers and booksellers alike!

4,9 stars average on Amazon.de!

Also available!

Lin Rina Animants World

An accompanying title to *Animant Crumb's Chronicle of Dust*, *Animant's World* is a collection of letters which refer to the events from the original novel! The book is a great fan experience for all readers who enjoyed the original story and its characters.

Lin Rina Animant Crumb's Chronicle of Dust

An atmospheric tale set in a bookish corner of 19th century London, *Animant Crumb's Chronicle of Dust* paints a vivid picture of places that books and stories can take you in real life. A jewel of a book for anyone who has ever dreamed of having their own dusty old library.

In 1890, most girls would be content with what 19-year-old Animant Crumb has: a mother dedicated to dressing her up in beautiful clothes and finding her a wealthy husband. But Ani could not care less; her love of books and stories has taught her to dream bigger. Ani's mundane life takes a surprising turn when she receives an unusual offer to travel to London and work in a wonderful old library. There Ani meets the cantankerous librarian Thomas Reed, a strange but intriguing man who awakens feelings in Ani that she had thus far only known from books. However, it soon becomes apparent that several obstacles stand in the way of her own love story being a reality.

Walking in the footsteps of classic leading ladies like Jane Eyre or Emily of New Moon, the strong-willed and independent Animant Crumb is a character the reader instantly falls in love with. The dusty but romantic setting brings the story to life in a breathtaking way. The book was an instant success story in Germany, selling 10,000 copies in the first month after its publication!

Ages: 12+ | Genre: Historical romance | Materials available: English reading sample, German edition | Original publisher: Drachenmond Verlag | Original language: German | Rights sold: Spanish Worldwide, Czech, Slovak, Russian

Alexander Kopainski

Clockwork of the Immortals

A sophisticated urban fantasy, meticulously thought-out in every little detail with unique world-building and characters to fall in love with.

Avery is 97 years old, but he looks 20. As with all immortals, his aging process has been forever frozen at the very moment when his watch stopped ticking. Today he works at Paris's opera house, leading a secluded and mundane life. All that reminds him of the supernatural world are the stationary hands on his pocket watch, always there to remind him of his magical powers. When a ballet dancer called Giulia reveals his true identity, and shortly thereafter an inexplicable murder upsets the human world, he joins her search to find the culprit. It seems that everything is linked to events that took place in Moscow in 1877. But despite his strength, the search for the killer carries insurmountable dangers that threaten to tear down the laws of magic and place the whole world in peril.

Ages: 12+ | Genre: Urban fantasy | Materials available: English reading sample, German edition | Original publisher: Drachenmond Verlag | Original language: German

Finnish covers

Johanna Valkama **Iron Hearts**

The rich, multilayered world surrounding a small Nordic village during the Iron Age is brought to life through Auri, a young woman who dreams of being the greatest healer ever known.

Auri is a restless young woman who is not satisfied with traditional roles for women in her community. To realize her dream to become a great healer, she must face the prejudices of her small Nordic village, which forbids healers from marrying. Everything is put to the test when Auri starts to fall for Haakon, the young Viking warrior who mysteriously washed up on shore. Haakon claims he's a peaceful merchant, but can he really be trusted? The impending Viking war casts Auri on a surprising path, as she becomes ready to take her destiny into her own hands.

Taking inspiration from actual Iron Age legends, *Iron Hearts* is an adventure trilogy with an exotic history, natural beliefs, myths, and mysteries.

Waging War (Book 2) was recently chosen as the best YA novel of 2017 in Finland.

Elina Pitkäkangas **Surrounded**

When her brother is severely injured, Inka is forced to breach the wall built to protect her small village from a deadly virus. Her actions shatter the village's established power structures as its inhabitants struggle to resist the strangers locked outside.

A dark but modern take on the classic werewolf tale, where the greatest threat could be the beast within ourselves...

Best friends Inka and Aaron live in a close-knit village next to the deep woods. The village is surrounded by a wall built to protect its inhabitants from a dangerous virus. But are there still infected beasts that roam outside, or is it just folklore? When Inka's brother suffers a serious accident, she is forced to seek help from outside the wall. Her actions unveil the village's long buried secrets and introduce them to a strange but intriguing girl who is not all that she seems. As the power structures start to shatter, Inka and Aaron find themselves in an insecure world governed by fear. How can you follow orders and your heart at the same time?

Materials available:

Book 1 Frostbite (English reading sample, Finnish edition)

Book 2 Waging War (Synopsis, Finnish edition)

Book 3 The Hunting Season (Synopsis, Finnish edition)

Perfect for fans
of *Westworld*
and *Game of Thrones*

Erika Vik Twin Suns

When Aleia, a mystical girl with no memories, shows up on Corildon's doorstep, they are thrown together to fight the unknown forces that are threatening to destroy their worlds.

In a divided world, weird forces are on the rise. The girl has to remember. The Selesian just wants to forget.

One winter night, a mystical girl who has lost her memory arrives at the isolated home of Corildon. Corildon is a Selesian, part of a gifted but persecuted species. He knows that the powers of the world are shifting, but how can this girl, who calls herself Aleia, sense it too? Is she something more than human? And why has she come to seek Corildon? The unexpected meeting leads the two on an unforgettable journey in search of answers and justice.

A fascinating trilogy mixing fantasy, steampunk, and western elements while exploring contemporary themes like equality and fear of the unknown.
