

Comics

"Can anybody hear me?"

Tiitu Takalo: Memento Mori

A fluent union of image, word, and story, where all the elements complement each other. This is a classic and full-bodied fairy tale featuring a great antihero, and a coming-of-age story all in one package.

The jury of the Comics Finlandia Prize

An epic adventure.

Kaleva newspaper

Janne Kukkonen

Lily the Thief The Treasure of the Three Kings

Brave and resourceful Lily dreams of proving her skills to the Guild of Thieves and being acknowledged as a master thief. By chance, she gets mixed up in a battle between ancient kings and forgotten gods. But isn't saving the whole world from destruction asking a bit much from a little thief? Janne Kukkonen's delightful fantasy adventure will enchant children and adults alike.

Ages: $9+ | Size: 165 \times 245 \text{ mm} | Pages: 280 | Colors: 4/4 \text{ or b/w} | Rights sold: Finnish, French worldwide, English worldwide, Italian, Czech, Russian$

Winner of the Comics Finlandia Prize 2017!

Optioned for TV by Why Not Animation!

The Legion of Brimstone

Lily the little thief is tasked with assembling the talisman of the Legion of Brimstone—a mythical and potentially dangerous item. But as war draws near, Lily soon learns that she isn't the only one searching for the powerful talisman. The foolhardy thief and her master find themselves caught in another web of mysteries and adventure.

Comics

Janne Kukkonen is an animation director who has also made music videos and short films. Lily the Thief is his first graphic novel.

Tiitu Takalo

Memento mori

An autobiographical graphic novel about life, art, the search of happiness, and surviving a cerebral hemorrhage at the age of 38.

In Memento mori, Tiitu Takalo, one of the greatest graphic novelists from Finland, describes her sudden and unexpected cerebral hemorrhage and the long process of recovery. It is a dramatic story about a life turned upside down overnight: a ruptured cerebral aneurysm, the days spent in an intensive care unit, and the long road to recovery which leads the artist to reflect on her current and past life.

Far more than a story of survival, *Memento Mori* is a philosophical and psychological journey told with exceptional honesty and compassion. It is a sublime graphic novel from a master of the medium and, ultimately, a celebration of life.

Pages: 232 | Colors: 4/4 | Rights sold: French worldwide

Tiitu Takalo is the winner of the Finlandia Prize in comics. She has received the prestigious Puupäähattu Award as a recognition of her work in comics, and her previous works have been published in several languages.

Kalle Hakkola and Mari Ahokoivu

Sanni & Joonas Cousin Hugo

Five-year-old Sanni and seven-year-old Joonas are siblings on holiday in Spain. They spend their days in the sun together with their cousin Hugo. While Sanni plays football on the beach, Joonas and Hugo roam the streets of Barcelona and sneak into the Park Güell, where they meet some famous people, go on an imaginary adventure, and discover a lost key to a treasure vault.

Sanni & Joonas is a children's comic about sibling rivalry, and, ultimately, family and friendship. It is a warmhearted, diverse comic which celebrates the wonderful imagination of children and endless summer days.

Ages: | Size: 200 x 250 mm | Pages: 72 | Colors: 4/4

Also
available: Strip
comics and short
stories starring
Sanni and
Joonas!

Kalle Hakkola is a Finnish author who has also worked as a director of the Helsinki Comics festival. Kalle has also worked widely in different fields of culture and art. He lives and works in Finland.

Mari Ahokoivu (b. 1984) is a Finnish Illustrator and a comic artist who loves to draw cute and scary things. She draws comics for adults and for kids and has been published in Finland as well as abroad.

mariahokoivu.com

With this book, Ahokoivu rises into the league of champions. *Oksi* is perfect. It's intelligent, funny, lively, and full of magic.

Helsingin Sanomat (Finland's biggest newspaper)

Serving mythology to the manga generation, the visual look of *Oksi* brings to mind the symbolic narration of Hayao Miyazaki, the forests in the art of John Bauer, and the work of Tove Jansson. The art of Mari Ahokoivu is on that level.

Kvaak.fi, Finnish comics portal

The most substantial work of Mari Ahokoivu's career. Mothers, fathers, and the offspring of all of them: read and learn.

Mustekala online culture magazine

Nominated for The Helmet Prize 2019 The Botnia Prize 2019

Mari Ahokoivu **Oksi**

Based on Finnish mythology that recognizes the bear as the king of the forest, *Oksi* is a unique and epic graphic novel that is already being hailed as a masterpiece.

A bear mother has given birth to her new cubs. One of them, however, is different. She looks more like a flame than a bear, and is bullied by her siblings. Even the mother is at a loss with the strange newcomer. But deep down, the mother has her own task to overcome: she has to grow out of the shadow of her own mother, the resentful goddess Emuu, mother of all animals.

Drawing references both to the deep layers of Nordic mythology and stories ranging from *Prometheus*, *The Ugly Duckling*, and *Spirited Away* by Hayao Miyazaki, *Oksi* is a breathtaking magnum opus by an extraordinary Finnish artist.

Size: 176 x 220 mm | Pages: 380 | Colors: 4/4

mariahokoivu.com

A cinematic story with a touch of humor. In addition to the clever concept, the themes include fatherhood, discrimination, and prejudice.

The jury of the Comics Finlandia Prize

Quantum mechanics, cunning photo comics, and a likeable loser protagonist got hitched with Philip K. Dick and had a baby that was named *Aperture*.

Johanna Sinisalo, author of *Not Before*Sundown

Aperture is a one-of-a-kind experience you will want to read again and again.

JP Ahonen, author of *Perkeros* and *Belzebubs*

Nominated for! The Comics Finlandia Prize 2020!

Avi Heikkinen is an award-winning comics artist and a screenwriter. Also an avid lover of cinema, whose goal is to capture that "movie magic" in his comics.

Avi Heikkinen **Aperture**

Jamo is a loser. Divorced and penniless, he lives his life as a small-time crook when he chances upon a camera that can be used to shoot the past. Struggling to forgive himself for the mistakes he has made in his life, Jamo uses the camera to search for a young woman who has recently gone missing. Finding unlikely allies in a half-deaf ex-policeman and a sarcastic Al-enhanced pig plush toy, Jamo uncovers secrets that will forever change his life.

Aperture is a unique photo comic shot entirely on location and post-processed into a mind-bending graphic novel which pushes the boundaries of the medium. It is a buddy-cop adventure with a sci-fi twist that is sure to resonate with anyone who has ever wished they could change the past.

Ages: | Size: 170 x 240 mm | Pages: 232 (with self ends) | Colors: b/w

An interesting interpretation of a classic work. The style and colors fit the concept impeccably.

The jury of the Comics Finlandia Prize

A glorious retelling of Moby Dick! The Whale is a masterful book.

Suomen Kuvalehti magazine

Janne Toriseva The Whale

The Whale is a bold graphic novel adaptation of Herman Melville's classic, Moby Dick. Like the book, the album tells a detailed story of the harsh life of a whaler in the 19th century and the sailors who lose themselves out on the open seas. When their continued misfortunes start to suggest the sailors are cursed, Ahab, blinded by his thirst for revenge, steers his ship toward disaster. The Whale draws a strong analogy between the past and the present when it asks if men are ever capable of listening to nature's warnings.

Ages: 12+ | Pages: 198 | Colors: 4/4 | Rights sold: Spanish, Finnish

2020

A striking

retelling of

Moby Dick

Janne Toriseva is a comics artist and writer whose previous work includes the long-running strip Oswald, which has been sold internationally.

Comics

All other writers in this genre have just had the bar set very high.

Patrick Hayes, Sci-Fi Pulse

Skies of Fire could be one of the greatest independent comics produced to date.

Wolf's Gaming blog

If you like steampunk, or any good adventure story, I'd highly recommend this book.

Fanbase Press

Imagine if a kingdom did not hold a navy but a vast fleet of airships. *Skies of Fire* is a beautifully illustrated graphic novel about massive airships and their duels on the high skies.

Skies of Fire takes the reader inside the fictional Aquilan Empire, a kingdom roughly analogous to post-WWI Great Britain. The Aquilans maintain a vast fleet of airships to defend their colonies and trade routes. In the center of the Empire lies a monstrous, never-ending storm called the Expanse. When the notorious raider Delmonte destroys a key trading port, the king has no choice but to order someone to fly inside the Expanse to take him down. His emissary is a force of nature herself: the tenacious Captain Helen Pierce, who's soon to discover the depths of her new mission.

Ages: 12+ | Size: 200 x 280 mm | Pages: 8 x 36 | Colors: 4/4 | Rights sold: English worldwide

Skies of Fire was started as a Kickstarter project and is quickly gathering international praise. The rich and lavish story world was created and written by Vincenzo Ferriero and Ray Chou and illustrated by Pablo Peppino.

Comics

A promising debut! Hiekkala connects the action to everyday life, making his stories plausible and authentic.

Helsingin Sanomat newspaper

Fascinating entertainment!
There's tension in the dialogue,
and Hiekkala knows when to
throw sudden, brutal action into
the mix.

Nominee of the Comics Finlandia Prize 2017!

Ossi Hiekkala

The Land of Unnamed Graves

Chilling Finnish Noir at its best in a collection of crime stories that will chill you to the bone.

The Land of Unnamed Graves is the debut graphic novel by the very talented artist Ossi Hiekkala. It consists of three hard-boiled crime stories, each with a refreshing Nordic flavor and a cool surprising twist. The stories deal with revenge, the laws of the jungle faced by criminals, and twisted family drama.

Ages: 16+ | Size: 165 x 245 mm | Pages: 64 | Colors: 2/2 | Rights sold: Finnish

Ossi Hiekkala is a Finnish artist who has also studied illustration in Japan for several years. The Land of Unnamed Graves is his first graphic novel.

Hugo Piette's pen fits the strip format perfectly. A beautiful graphic success!

Une Case en Plus comics website

Funny, with a great rhythm!

Men's Up magazine
