# Middle Grade

“Something is coming.  
Something big.”

**Christoffer Petersen: *The Starlighter***

# The Starlighter

*The Starlighter* is an epic space story about our endless fascination with stars and supernovas. Also tackling climate change issues and the way young people can act as a force for change, this imaginative adventure follows a very brave girl ready to save the planet.

## Christoffer Petersen **The Starlighter**

In Fairbanks, Alaska, all twelve-year-old Jayla wants is for her hard-working dad to come home for Christmas. But Michael is an astronomer who has just made a discovery that is about to change their lives, and possibly life on Earth, too. There is a being moving in space that seems to be illuminating stars in order to help track its path—and that path leads directly to Earth.

When Jayla thinks of a way to communicate with the being in space, she realizes she needs to get everyone on the planet to cooperate in order for her idea to work. Luckily, Jayla and her friends know a thing or two about how to make things go viral.

Innovative, magical, and deeply human, *The Starlighter* is a unforgettable, thought-provoking story full of inspiration for young readers. It's the first children's book by Christoffer Petersen, the internationally selling author of several Arctic Noir thrillers.

Pages: ca. 200 | Ages: 10+ | Genre: Space story, adventure | Original language: English

**A fascinating space story with a female lead—think Carl Sagan meets Jacqueline Wilson!**

Originally from the UK, **Christoffer Petersen** started writing stories about the Arctic while teaching in Qaanaaq, Greenland. He continues to be inspired by the vast icy wilderness of the polar regions. He has also watched enough Bourne movies to know how to build up a few plot twists. He's the author of several adult thrillers, including *Seven Graves*, *One Winter*, which has sold internationally. Petersen now lives in Denmark.

*Home Alone  
meets House of  
Cards!*

# Little Miss PRESIDENT

The perfect  
book for kids  
who want to  
dream big!

Who run  
the world?  
Girls!

## Toni Gallagher **Little Miss President**

Being president looks pretty easy. You tell people what to do, and they do it. What's so tough about that? *Little Miss President* is a unique tale empowering girls to be women who lead.

At least, that's what Josephine Kline thinks. Jo is much like any other 10-year-old. Just one small detail separates her from her classmates—her mother, Martha, happens to be the president! So when Martha comes down with a nasty and sudden case of stomach flu, Jo decides it is time to step up and be president for the day!

Armed with a killer costume and a hidden talent for impressions, Jo enlists her most available (and least law-abiding) friend to try and reinstate some fun in the role of president. What could possibly go wrong?

*Little Miss President* is a hilarious slapstick tale of one madcap day in the lives of two 5th graders. Never less than entertaining, the story also has some serious points to make about the transformative potential of dreaming big, and how there is still hope in a political world that can seem daunting to us all.

Ages: 6+ | Pages: ca. 100 | Colors: b/w | Materials available: Full English manuscript

“

Middle school kids who like computers more than books will really enjoy the Ghost Network.

**Daddy Mojo, a parenting site following popular culture**

A group of teen hackers have been secretly implanted with artificial intelligence, giving them extraordinary abilities. A legendary tech guru seeks total control over their bodies and minds, leading to a cat-and-mouse chase across all corners of the globe.

As humans look toward a future filled with artificial intelligence, this thrill-filled adventure story couldn't be more relevant. With the likes of *Homo Deus* and *Black Mirror* giving the adult market an ominous portent of the world to come, the Ghost Network seeks to put a more playful spin on the future mankind faces.

Imagine Mary Shelley writing a James Bond novel for kids!

“

We love this story, and, of course, John, Slack, Akane, Salome, and Eva! A fast pace, great characters, and excellent dialogue make this a must-read!

**Anne Luukkonen, Otava, Finnish publisher of the Ghost Network.**

”This is a strong character driven, well-plotted story.”

“I flipped through each paid rapidly wanting more!”

**Reader reviews on GoodReads**

## The Ghost Network 1 Activate

John and Slack are just two normal kids with a love for computers. But their life is turned upside down when an innocuous hacking prank sends them to a center for extraordinarily gifted computer whiz kids. There, they learn the terrifying truth: they died and have been brought back to life with the help of artificial intelligence. Not only does this give them extraordinary abilities... it also makes them hot property.

Book 1: Activate (Full English manuscript available)

## The Ghost Network 2 Reboot

The secret is now out about the Ghost Network's identities... and everything is in danger of going up in smoke. With Roy Lykos on the prowl, John and the gang head to a top secret center in the Sahara desert to prepare for battle.

## The Ghost Network 3 System Failure

The gang gets a weird invitation from the institute in Brazil. But are the rumours about the institute having gone rogue true? As the journey into the deep jungle begins, nothing is what it seems.

**I. I. Davidson** is a pen name for the Scottish author Gillian Philip and Finnish series creator Aleks Delikouras. Gillian has written fiction for several big publishers and been nominated and shortlisted for awards including the Carnegie Medal and the David Gemmell Legend Award. She belongs to the Erin Hunter team responsible for hits like *Warriors*, *Survivors*, and *Seekers*.

# Queens OF QUEENS

Four of the sassiest, brassiest queens of history are taking over modern-day Queens, New York. Are you ready?

Following a freak accident, a group of misfit kids end up face-to-face with four historical queens: Cleopatra, Marie Antoinette, Khutulun, and Victoria. But once home, the kids' awe quickly turns sour when they realize that queens don't make the most cooperative pets.

## Queens of Queens First We Take New York

A fresh, funny, modern take on some of the sassiest, brassiest queens in history, *Queens of Queens: First We Take New York* is a one-of-a-kind series opener. Think *The Carrie Diaries* meets *Marie Antoinette*!

What to do when you accidentally resurrect four famous historical queens? As Laqueena, Brad, and Pablo try to make sense of it all, the queens want to ditch this new world of equality and public transportation and head back to their old lives of splendor and privilege. But when megalomaniac man-child Henry VIII shows up, the girls must find a way to strike a balance between history and modern life before they cease to exist in any time period.

## Tapani Bagge and Carlos da Cruz The Apaches Series The Mystery of the Ghost Horse

The Apaches Series is a fully illustrated historical mystery series for young readers. Set in the early 20th century, the series follows a group of street-smart kids as they solve thrilling mysteries in historical Helsinki.

Helsinki at night is clouded by a stubborn fog. In the fog, a ghost horse gallops, knocking over flowerpots and breaking several shop windows. The police are puzzled. When the horse strikes the department store where Heikki's mother works, Heikki and his friends form a secret society, the Apaches, and decide to find out what lies behind the mystery of the ghost horse. They soon find themselves in the adventure of a lifetime!

Ages: 8+ | Genre: adventure, mystery | Size: 130 x 210 mm | Pages: ca. 120 | Original language: Finnish | Original publisher: Karisto | Materials available: English sample, Finnish editions (books 1-4)

Photo: Mikaela Holmberg

Photo: Samuli Siirala

**Tapani Bagge** has published numerous books for both children and adults. He has also written plays for stage and radio, TV screenplays, graphic novels, and comics scripts. He has received several awards, and his books have been published in several languages all around the world.

**Carlos da Cruz** is an award-winning French-born illustrator and graphic artist who lives in Finland. He has long worked with picture books, teaching materials, and magazines. He has also co-authored a series of children books about Finnish history.

These books are modern teen classics. If you don't know what book to give to a young boy, I highly recommend this humorous and addictive series.

**Saran kirjat blog**

This book series stands out with its unique humor; even a critical reader can't help but laugh along.

**Lukufilis online magazine**

Award-winning TV series also selling internationally!

Finnish covers

"I believe kids need to be rewarded when reading books, just as they are when playing games. I try to do this by offering plot twists and lots of humor."  
**Alexi Delikouras**

## Alexi Delikouras DragonSlayer666

**Alexi Delikouras is the wunderkind of the Finnish literature scene. His hit series follows the life of the one and only DragonSlayer666.**

It's tiring being DragonSlayer666. Not only is he the king of gamers—if you ask him—he's also an accidental YouTube star and a bestselling author. And yet, all he really wants is to be left alone. Battling mundane earthly matters such as school, parents, girls, sleeping, or eating, he really has one goal: making it big in the online gaming community.

*DragonSlayer666* relates to today's teenagers in way rarely achieved, and is both funny and unapologetic in its approach. Written as the diary of a gamer, the books are fast-paced and full of hilarious comedy, making them easy to approach for those who aren't necessarily big readers—or gamers!

Ages: 10+ | Pages: ca. 150 | Genre: Humor, Gaming | Original language: Finnish | Original publisher: Otava Publishers | Materials available: English reading sample x 2, Finnish editions

Middle Grade

Photo: Lauri Nevanlinna

Finnish-Greek **Alexi Delikouras** (b. 1990), author and film director, has found the magic formula: his books are being devoured by preteen boys in Finland, while he also has a strong following among girls. *DragonSlayer666* is also a massively popular TV series airing on Yle, Finland's public broadcaster.

## Elina Rouhiainen The Bird Circle

**A girl who is able to see people's memories in the form of birds forms an unlikely alliance with a boy who can visit people in their dreams to do battle against an anonymous, powerful enemy. Think *Shadowhunters* meets *Nordic Noir*!**

Seventeen-year-old Kiuru can see people's memories in the shape of birds. When she meets a group of travelers, among them Dai, a boy who can visit people in their dreams, Kiuru feels like she's finally found home. But when it turns out someone is hunting people like them, they must band together to survive. What are their abilities really for? In a world where memories and dreams mix with the harsh reality of living on the fringes of society, Kiuru will do whatever it takes to protect her friends. Even if the cost means forgetting it all later.

The Bird Circle is a haunting, poignant thriller that explores the power of memories from the rising star of Nordic YA. The multi-award-winning series has also been optioned for an international TV series by Mosquito Television.

## Mintie Das **Brown Girl Ghosted**

**A sixteen-year-old Indian American girl is forced to fulfill her destiny as an *Aiedeo*, an ancient line of Indian queens, while struggling to survive high school and live a normal teenage life in her small Midwestern town.**

Indian American Violet Choudhury has spent most of her life trying to convince everyone that she’s the quintessential normal teen. Being the only brown girl in Meadowdale, Illinois hasn’t made that easy, but it finally looks like all of Violet’s hustling has paid off when she lands a spot on the cheer squad. But then cheer captain and ultimate mean girl Naomi is murdered. When the *Aiedeo*, an ancient line of Indian queens, force her to help dead Naomi find her killer, Violet tries to escape the secret legacy that she’s been desperate to hide. As retribution, the *Aiedeo* use their mythological powers to turn Violet into a ghost, plunging her into a horrific battle of life and death.

*Brown Girl Ghosted* is a fun, energetic story that explores inclusivity, identity, and girl power through a sharp-witted, kick-ass heroine that resonates with audiences worldwide.

FIFTY-THREE YEARS AGO, THE DEVIL  
INVADED OUR WORLD. SEVEN MONTHS  
AFTER THAT, WE KILLED HIM.  
THEN THINGS GOT WEIRD.

Matthew Laurence  
**Devil Days**

**A young woman who is part devil seeks to clear her kind's dirty name in a society that discriminates and divides at every turn.**

Lillian Demire is a teen with a secret... although the horns growing out of her 'fro are a clue. She is a member of America's newest and most ostracised minority—devilkin. After the catastrophic Brimstone War left mankind going into battle against the Devil himself, Lucifer's descendants aren't winning any popularity contests.

Ostracised by her mother, and society as a whole, Lily has little choice but to sign up with a government program in which devilkin are weaponized to fight against their own.

But when you are devilkin, life isn't as simple as just following a script. The world is a far darker place than even Lily realized, and tensions between humans and devilkin are at breaking point. And as Lily learns more and more about who she really is, these pressures increase exponentially.

*Devil Days* explores the realities of living in a world where nations and people are divided by those in control and exploited in pursuit of profit and power—you might find you have more in common with the devil than previously thought.

## Matthew Laurence **Freya**

**Following the demise of her life as the Norse goddess of love, Freya is a 21st century teen waiting to regain her deity status when she meets a mysterious man that shows her there are people who remember the gods—and they are not her friends.**

There’s far more to Sara Vanadi than meets the eye. In her prime, she was Freya, the Norse goddess of love, beauty, war, and death—though that past hardly seems to matter now. For an ancient goddess in the 21st century, true believers—and the strength they bring—are painfully hard to find. But when a new, rising power threatens to remake the world by bending the divine to its will, Sara realizes her days of hiding have ended, and a chance to claw her way out of the history books has arrived. She’ll just need new clothes and a manicure before she gets started.

## Lin Rina **Animant Crumb's Chronicle of Dust**

**An atmospheric tale set in a bookish corner of 19th century London, *Animant Crumb's Chronicle of Dust* paints a vivid picture of places that books and stories can take you in real life. A jewel of a book for anyone who has ever dreamed of having their own dusty old library.**

In 1890, most girls would be content with what 19-year-old Animant Crumb has: a mother dedicated to dressing her up in beautiful clothes and finding her a wealthy husband. But Ani could not care less; her love of books and stories has taught her to dream bigger. Ani's mundane life takes a surprising turn when she receives an unusual offer to travel to London and work in a wonderful old library. There Ani meets the cantankerous librarian Thomas Reed, a strange but intriguing man who awakens feelings in Ani that she had thus far only known from books. However, it soon becomes apparent that several obstacles stand in the way of her own love story being a reality.

Walking in the footsteps of classic leading ladies like Jane Eyre or Emily of New Moon, the strong-willed and independent Animant Crumb is a character the reader instantly falls in love with. The dusty but romantic setting brings the story to life in a breathtaking way. The book was an instant success story in Germany, selling 10,000 copies in the first month after its publication!

## Alexander Kopainski **Clockwork of the Immortals**

**A sophisticated urban fantasy, meticulously thought-out in every little detail with unique world-building and characters to fall in love with.**

Avery is 97 years old, but he looks 20. As with all immortals, his aging process has been forever frozen at the very moment when his watch stopped ticking. Today he works at Paris's opera house, leading a secluded and mundane life. All that reminds him of the supernatural world are the stationary hands on his pocket watch, always there to remind him of his magical powers. When a ballet dancer called Giulia reveals his true identity, and shortly thereafter an inexplicable murder upsets the human world, he joins her search to find the culprit. It seems that everything is linked to events that took place in Moscow in 1877. But despite his strength, the search for the killer carries insurmountable dangers that threaten to tear down the laws of magic and place the whole world in peril.

## Johanna Valkama **Iron Hearts**

**The rich, multilayered world surrounding a small Nordic village during the Iron Age is brought to life through Auri, a young woman who dreams of being the greatest healer ever known.**

Auri is a restless young woman who is not satisfied with traditional roles for women in her community. To realize her dream to become a great healer, she must face the prejudices of her small Nordic village, which forbids healers from marrying. Everything is put to the test when Auri starts to fall for Haakon, the young Viking warrior who mysteriously washed up on shore. Haakon claims he's a peaceful merchant, but can he really be trusted? The impending Viking war casts Auri on a surprising path, as she becomes ready to take her destiny into her own hands.

Taking inspiration from actual Iron Age legends, *Iron Hearts* is an adventure trilogy with an exotic history, natural beliefs, myths, and mysteries.

Pitkäkangas describes young adults masterfully. She paints a psychologically precise picture both of the way young people think and act, and the relationship between their dreams and reality.

**Lumooja literary magazine**

A powerful story about the fear of losing and the immense power of love.

**Lukijan Roolissa blog**

Any fantasy readers out there: if you haven't read *Frostbite* yet, fix that ASAP! Pitkäkangas has written a really original book.

**Waging War (Book 2) was recently chosen as the best YA novel of 2017 in Finland.**

## Elina Pitkäkangas **Surrounded**

**When her brother is severely injured, Inka is forced to breach the wall built to protect her small village from a deadly virus. Her actions shatter the village's established power structures as its inhabitants struggle to resist the strangers locked outside.**

A dark but modern take on the classic werewolf tale, where the greatest threat could be the beast within ourselves...

Best friends Inka and Aaron live in a close-knit village next to the deep woods. The village is surrounded by a wall built to protect its inhabitants from a dangerous virus. But are there still infected beasts that roam outside, or is it just folklore? When Inka's brother suffers a serious accident, she is forced to seek help from outside the wall. Her actions unveil the village's long buried secrets and introduce them to a strange but intriguing girl who is not all that she seems. As the power structures start to shatter, Inka and Aaron find themselves in an insecure world governed by fear. How can you follow orders and your heart at the same time?

Materials available:

Book 1 Frostbite (English reading sample, Finnish edition)

Book 2 Waging War (Synopsis, Finnish edition)

Book 3 The Hunting Season (Synopsis, Finnish edition)

Ages: 14+ | Genre: Fantasy | Original publisher: Myllylahti Publishing | Original language: Finnish

“

*The Girl Without a Name* mixes current questions with imaginary fantasy to make a fascinating debut.

**Turun Sanomat newspaper**

Both magical and plausible; it's hard to wait for the follow-up in this interesting trilogy.

**Savon Sanomat newspaper**

A strong storyworld, this book has a special something to it that made me completely sink into its world. 5 stars.

**Oksan hyllyltä blog**

Perfect for fans  
of *Westworld*  
and *Game of Thrones*

## Erika Vik Twin Suns

**When Aleia, a mystical girl with no memories, shows up on Corildon's doorstep, they are thrown together to fight the unknown forces that are threatening to destroy their worlds.**

*In a divided world, weird forces are on the rise. The girl has to remember. The Selesian just wants to forget.*

One winter night, a mystical girl who has lost her memory arrives at the isolated home of Corildon. Corildon is a Selesian, part of a gifted but persecuted species. He knows that the powers of the world are shifting, but how can this girl, who calls herself Aleia, sense it too? Is she something more than human? And why has she come to seek Corildon? The unexpected meeting leads the two on an unforgettable journey in search of answers and justice.

A fascinating trilogy mixing fantasy, steampunk, and western elements while exploring contemporary themes like equality and fear of the unknown.

Materials available:

Book 1: *The Girl Without a Name* (English reading sample, Finnish edition)

Book 2: *The Seer of Selesia* (Synopsis, Finnish edition)

Book 3: *The Daughter of Nefr* (Synopsis, Finnish Edition)

Ages: 14+ | Genre: Fantasy, steampunk | Original publisher: Gummerus Publishers | Original language: Finnish

## Ava Reed **The Moon Princess The Moonlight Warrior**

***The Moon Princess* and its exciting follow-up, *the Moonlight Warrior*, tell a gripping and romantic tale that imagines a mystical and fantastical kingdom on the Moon.**

Lynn is a young orphan desperate to leave behind the orphanage where she was raised. On her 17th birthday, Lynn notices a star emerge on her skin. Soon it's not just a star—her whole body shines a strange light. Answers come when The Guardians of the Moon arrive to escort her to her new life: Lynn is a princess with a grand destiny waiting for her on the surface of the Moon. But as Lynn falls desperately in love with one of the guardians, Yuri, she realizes that her path is already chosen for her. Lynn is destined to marry a prince, not Yuri.
